

Dear Industry Friends,

We hope you and your families are well.

The CMI board invites you and your company to the **Central Minnesota Irrigators annual meeting January 19, 2023 at the Central Lakes College in Staples, MN.** This annual meeting will again offer an in person or virtual option. We encourage you to host a booth so we are able to maintain our agriculture partnerships. Discussion around a booth table is the number one choice when we want to connect product and/or service to people. Exhibitors can begin setting up in the CLC commons area at 8:00 am. The agenda for the day will be posted online and available that Thursday. Please find the registration form below. Questions can be emailed to centralmnirrigators@gmail.com.

Be assured, we will continue to work closely with you, our partners to represent our members and are asking you to join or maintain your membership to Central Minnesota Irrigators. For over 50 years, memberships have held irrigators together through a meaningful connection in numbers. We have an implied agreement that we will precisely use water to feed our world. In order to continue to do that very job we need to educate, inform and promote research irrigation techniques like never before. Together we can utilize solutions, create a reputation in the world we are feeding, understand and maintain goodwill. Learn more at centralmnirrigators.org.

Thank you for your continued support and being a part of a unified voice for irrigated agriculture.

Sincerely,
Ben Deuel
CMI President

Please remit intent and/or payment by January 12, 2023 to:

Robert Keppers, CMI Treasurer
220 Bottlemiller Dr, Wadena, MN 56482
Phone: 218-631-7261 Email: centralmnirrigators@gmail.com
